

# Meet the team at ISPOR in Copenhagen!

As a leading healthcare value consultancy, we are proud of our **25-year heritage** and long-standing partnerships within the pharmaceutical industry.

As part of the Adelphi Group, we will be exhibiting at **booth C3-060** alongside our Patient-Centered Outcomes practice and sister company Adelphi Real World.

Come and talk to our experts to discuss how we can help with:

- > **Market access landscape analysis**
- > **Value stories and messaging**
- > **Payer value tools and communications**
- > **HTA insight and strategy**
- > **Health economic modelling**
- > **Value dossiers and value packs**
- > **e-v@luate™ and our interactive e-dossier platform**
